# Web Essentials

*A website is the center of everything when it comes to driving business and revenue. Without a web presence, you're missing out on one of the simplest and most effective ways to connect with established customers and attract new ones.*

## MOBILE & SEO FRIENDLY WEBSITES

### Website Design

Professionally Designed website powered by WordPress that best represents your business, products, and services.

### Website Maintenance & Management

Focus on your business while we focus on providing crucial updates to your online business. Request changes to your website at any time and our team will take care of those changes for you.

### Website Hosting

Gain peace of mind knowing your site is hosted with the most trusted source on the internet—Google Cloud Platform.

**53% of mobile site visits leave a website that takes longer than 3 seconds to load.**

A third of all smartphone searches were made right before a store visit.
